Heading away on a roadie these holidays? Make sure you visit Daryn and his team at Avonhead Caltex to fuel up first.

Our local Caltex owner, the wonderful Daryn Wright, has once again come on board to help fuel Burnside High School sport.

The vouchers he so generously provides goes a long way to assisting our sports teams with their tournament travel costs every year. 2024 will be the third year of Daryn sponsoring fuel to help out our teams.

If you see Daryn around make sure you let him know how much we appreciate his support.

THANK YOU Caltex NZ!

We are extremely grateful to Caltex NZ and Caltex Sommerville for their generous support of our sports teams! Their contribution of a \$1,000 StarCash Fuel Card will greatly assist our teams as they travel to their various sporting events and competitions.

This marks the fourth consecutive year that Caltex Sommerville has nominated Howick College to receive a \$1,000 StarCash fuel card, a gesture that highlights their ongoing commitment to our school.

The fuel card was kindly presented to our Principal, Dale Burden, by Caltex Sommerville Manager, Amrit Randhawa. We deeply appreciate this continued partnership and the positive impact it has on our student athletes.

Thank you, Caltex, for investing in our students' success and helping them thrive in the sports they love!

Please know that we'd love you to pop into Haeata Community Campus whenever you are passing by.

Hopefully all is going well for you and your business in these tough times.

We are currently involved in Midweek winter codes where teams are travelling around Northland to play their respective codes (football, rugby and hockey). All trips involve the use of a school van and a parent's support car, your sponsorship has meant we can reimburse the parents for taking time out of their work and using their own private vehicle to transport our students as a thank you. So without your support parents would not volunteer and our players would have to pay more in fees. So again thank you.

Good Sport Award – Matamata College email response

I have just posted information on the Matamata College FB page about Fletcher Van Heuven who received the Good Sport Award at the recent NZSS Athletics Event. Unfortunately, I was unable to tag Waddell NZ and Caltex NZ in the post. This must be due to our settings which I'm unable to change.

Thanks for setting up this excellent award. Fletcher is a fine young man and he certainly warrants this recognition. He received our Class and Field Award at our Senior Prizegiving while he was away in Timaru. The citation for our award noted similar traits to the ones highlighted in your email.

Fletcher Van Heuven capped off a remarkable year in athletics at the recent New Zealand Secondary Schools' Athletics Track and Field Championships in Timaru. He made the final of both the senior boys' 800 metres and 1500 metres, narrowly missing a medal in the 800m event where he placed 4th.

During the event Waddell NZ hosted a competition known as the Good Sport Award. This was sponsored by Caltex and focused on recognising a coach, manager, student, or teacher who goes above and beyond, is an inspiration to their school, or sets amazing values and standards for others to aspire towards. Fletcher was the recipient of this award which included a range of Caltex products.

Fletcher's nomination from the Te Aroha Athletics Club referred to his commitment to the club over many years. This has included club nights, ribbon days, the Colgate Games and much more. He was described as a role model for young athletes who impresses with his dedication to his training programme. Often seen running along rural roads or on the track at the club, Fletcher impresses with his desire to achieve the best possible results. It was noted that he continually gives back to the club, helping out at Ribbon Days, inter-school events and coaching nights. He assists young athletes and judges on the finish line of track events.

Congratulations to Fletcher on this outstanding recognition, it is richly deserved. Many thanks to Caltex NZ and Waddell NZ for their support of this award.

Good afternoon and Merry Christmas Darryl

Reflecting on our year generates gratitude for people like yourself who have invested in our kids. Sport is a wonderful teacher of character. We love it! Your petrol vouchers allowed us to lower financial barriers for our teams that competed in winter tournament week.

Feilding High School continually strives for success in sport. We are one of very few schools that competes on the national stage in a wide range of girls and boys sport. For example we were only one of two schools who had a team compete in all categories of the recently held Condor 7"s in Tauranga. The other school was a large Auckland school MAGS.

Thank you again for your assistance that enables us to help build great people for our community.

Have a great Christmas and I hope you get an opportunity to get outside away from work to do something you love.
